## National Conference on Alternative IRB Models: Optimizing Human Subject Protection

Wardman Park Marriott  
Washington, DC

Tomorrow's Doctors, Tomorrow's Cures®

Co-Sponsored by: AAU, COGR, COSSA, DOD, NACUA, and PRIM&R

Everyone is welcome to attend, but the conference is designed especially for individuals who are involved in decisions about whether their institutions should use an alternative to local IRBs, for example, institutional officials, institutional legal counsel, investigators, sponsors, subjects and their advocates, representatives of trial management organizations, research deans, IRB chairs and members, IRB administrators, and government regulators.
